NOTICE: Domo cannot accommodate food allergies with special menu preparations or substitutions. It is the customer's responsibility to choose menu items suitable to their constitution. If you are highly allergic to soy bean products, wheat products or any other foods we highly recommend that you find a restaurant that can accommodate your special needs.

SOY SAUCE In keeping with Domo tradition and with dedication to superb quality and taste, soy sauce, salt and pepper are not available as extra condiments on your table or by special request. Since it's opening in 1996 Domo's menu has been highly acclaimed by local and national media alike. Our secret? NO extra soy sauce.
